

Practice Court Schedule – Updated July 17, 2018

REGULAR PRACTICE COURTS

We will not be taking advanced booking for practice courts, but they will be available on a first come first served basis on arrival to the club each day. If players are waiting for a court we ask that participants go at least 2 players per court, and practice time is limited to a maximum to 30 minutes per day.

MSCG1 & MSCG2 PRACTICE COURTS *

The two show courts cannot be reserved in advance of your arrival in Charlottesville. However once here you may reserve a practice time on the paper sign-up sheet outside the court. To keep the process fair, please do not reserve the court on behalf of those that have not arrived. Practice times are for between 25 and 40 minutes (depending on the day) and players should go at least two to the court. Please only reserve one practice time per day and only reserve a show court for practice if your likely path through the draw has you playing on one. If a player fails to turn up within 5 minutes of the time they have reserved a show court for then it can be taken by a player that is here and ready at the venue. The show courts can be reserved one day ahead but no further. If you have reserved a show court for the next day but then find you no longer require it then please remember to cancel your name out to make it available for someone else.
